MEMORANDUM FOR: Deputy Director of Training (General)

SUBJECT:

Progress Report for the Week of 16 January - 22 January.

No noteworthy developments.

2. Letters to thirty-four directors of area and language programs in U.S. universities, inquiring about summer programs, now are being typed. A JO, who has been "treading water" awaiting clearance, is assisting in identification of other related programs of possible interest by a catalog study at State/ERS. When information is in hand, I propose to prepare a general information announcement to go to TLOs.
